

EXCLUSIVELY AVAILABLE
FROM BECKER PUMPS
GENUINE PARTS

Best in Class

Increase the Longevity and Performance of your Vacuum Pumps, Compressors and Blowers

Only **Becker Genuine Parts** are specially engineered, manufactured and tested to deliver the optimal performance of your Becker vacuum pumps, compressors and blowers. Becker Genuine Parts are not only guaranteed to fit but help maintain valuable warranty coverage.

These **genuine OEM parts** maximize the life of your equipment while lowering your annual maintenance costs.

Consider keeping a Becker Preventive Maintenance Kit on the shelf to ensure you have all the components on hand for regularly scheduled maintenance.

We stock a full range of replacement parts.

Our knowledgeable staff can help identify the right part and make sure you get it when you need it! Just call our USA headquarters at 888-633-1083 or email: info@beckerpumps.com.

The benefits of using genuine parts:

- Lower annual maintenance costs
- Optimal pump performance
- Extend the life of your pumps
- Maintain warranty coverage
- Increase efficiency
- Full inventory in stock and ready to ship
- Friendly, knowledgeable staff
