

**LIMITED WARRANTY  
FOR  
REPAIRED PRODUCTS**

When product (not covered under the Limited Warranty for New Products) is to be returned for repair, the Buyer (Original Consumer, Purchaser or End User) shall notify Seller's (Becker Pumps Corp.'s) "Customer Service Department" of their intent and obtain prior approval and a Return Authorization Number which will be placed on the outside of the package as well as on any enclosed packing list. All products authorized for return shall be sent with shipping charges "PREPAID" to the Seller (Becker Pumps Corp.) at 100 East Ascot Lane, Cuyahoga Falls, Ohio 44223. All shipments received "Freight Collect" by Seller will be refused. Any cost incurred for the disassembly and/or dismounting of product prior to shipping will be at Buyer's expense.

After the product is received, the Seller's "Repair Service Department" will make a detailed analysis of the condition of the product. Items, if any, needed to place the product in a workable condition shall be listed with part numbers, prices, and repair labor charges. Buyer shall be advised via the telephone and confirmed in writing within three working days of the charges, the period of time estimated to complete such repairs and reasons for product failure. If the Buyer approves the repair, a purchase order will be requested. The repair will be made and the product will be returned. Should the Buyer determine that the repair estimate is too expensive and requests the product to be scrapped or returned to them, an invoice in the amount of Ninety-Five Dollars (\$95.00) shall be sent for the repair evaluation.

All repairs made by Seller's "Repair Service Department" carry a one (1) year Limited Warranty on parts and labor with exclusion based on the following causes of failure:

1. Damage resulting from improper installation or operation in excess of nameplate specifications.
2. Damage from improper maintenance.
3. Damage from misuse, abuse, accident or alteration.
4. Damage from improper electrical supply and/or wiring.
5. Damage from excessive foreign materials (dirt, dust, metal, plastic, water, etc.) ingested by the unit.

NOTE: Normally wearing parts are not covered by this Becker Limited Warranty (examples would be coupling discs, vanes, oil and air filter elements, etc.).

This is the sole expressed Warranty of the Seller. No affirmations or promises of the Seller shall be deemed to create an expressed Warranty regarding a sale of Seller's products.
