

**LIMITED WARRANTY  
FOR  
COMPLETE CENTRAL VACUUM OR COMPRESSOR SYSTEMS**

The Seller (Becker Pumps Corp.) warrants to Buyer (Original Consumer Purchaser or End User) that all complete (pumps and controls) central vacuum or compressor systems manufactured at the Seller's facility in Cuyahoga Falls, Ohio, and sold and installed in North America are free from defects in material and workmanship at the time of shipment for a period of two (2) years from date of shipment (**See: Exceptions**).

**NOTE:** Normally wearing parts are not covered by this Becker Limited Warranty (examples would be coupling discs, vanes, oil and air filter elements, etc.).

This Limited Warranty is valid only when the product has been properly installed, used in a normal manner, and serviced according to the operating and maintenance manual. This warranty shall not extend to products that have been misused, neglected, altered, or repaired without factory authorization during the warranty period. Operating conditions beyond our control, such as improper voltage, excessive ambient temperature, or other conditions that would affect the performance or life of the product will also cause this Limited Warranty to become void.

Permission to return parts for warranty repair must be obtained, and all returns must be prepaid to the factory. If, after examination, the product or part is found to be defective, it will be repaired or replaced on a no charge basis and returned to the Buyer freight prepaid via standard motor freight. A credit in the same amount of the return standard motor freight charges will then be issued to the Buyer as reimbursement for the incoming freight. In the event that a warranty repair requires a Becker Mechanic on site, travel expenses and travel time are at the expense of the Buyer and are not covered under this Limited Warranty. If, on the other hand, it is determined that the Warranty has been breached by Buyer, then the usual charges for repair or replacement will be made, FOB the factory.

This Limited Warranty applies only to the above and is for the period set forth. Seller's maximum liability shall not, in any case, exceed the contract price for the product, part or component claimed to be defective, and Seller assumes no liability whatsoever for any special, indirect, or consequential damages arising from defective equipment.

There are no warranties implied or expressed that extend beyond those contained in this Limited Warranty.

- Exceptions:**
1. All new Advantage-L Central Vacuum Systems built at Seller's facility and sold and installed in North America that have been operated from initial purchase throughout the full warranty period with Becker Vacuum Pump Oil shall be warranted for a period of three (3) years from date of shipment. Proof of oil purchase may be required.
  2. All new Advantage-W Central Vacuum Systems built at Seller's facility and sold and installed in North America will have a warranty period of one (1) year from date of shipment.
