

*Best in Class*

THE SUPPORT YOU NEED  
FROM BECKER PUMPS  
**LOANER PUMPS**

**Keep production running while your pump is being repaired / rebuilt.**

### Loaner Pump Service

Becker is committed to *Best in Class* customer support. Our Loaner Pump Program ensures minimal downtime when you need to repair or rebuild a pump.

For a one-time fee and shipping to and from your facility, we provide a loaner for the length of time that it takes to repair your pump. Should you decide to keep the loaner, the fee is applied to the price\* of the pump.
