

*Best in Class*

EXCLUSIVELY FROM BECKER  
**BECKER GENUINE OIL**

### Becker Vacuum Pump Oil

Recommended for All Makes of Oil-Flooded Vacuum Pumps\*

Becker Vacuum Pump Oil is specifically formulated to withstand the harsh operating characteristics of oil-flooded rotary vane vacuum pumps. Becker Oil has low friction properties which minimizes viscosity fluctuation and increases the performance and longevity of your vacuum pumps.

All Becker Vacuum Pump Oil is ISO 100 Viscosity Grade and Compatible with PAO, Ester and Petroleum Based Oils

#### Becker Synthetic Oil

- Standard initial charge in all Becker oil-flooded pumps
- Non-Detergent to protect against varnishing
- Contains anti-foam additives reducing heat, oxidation and wear
- Separates from water for easy removal and disposal

#### Becker Premium Synthetic Oil

- Fully Synthetic PAO (Polyalphaolefin) oil
- For extreme temperature applications
- Higher viscosity index, Lower vapor pressure

#### Becker Food Grade Oil

- NSF H1 rated and meets USDA H1 safety standards
- Formulated specifically for use in food processing
- Authorized for use in federally inspected meat, fish and poultry plants

#### Becker Flushing Oil

- Used to flush old oil and sludge from the pump
- Helps prevent future varnish and sludge build-ups
- Extends the life of the pump and new oil

### Extend Your New Becker Pump Warranty

Purchase a 5 gallon pail of Becker Vacuum Pump Oil when you order a new Becker Oil-Flooded Pump, and we'll extend your warranty from 1 year to 2 years.

All Becker Vacuum Pump Oil is available in 1 gallon bottles, 5 gallon pails and 55 gallon drums. Becker Synthetic Oil is also available in 1 quart bottles.

*\*Suitable for use in pumps from these manufacturers: Busch, Rietschle, Gardner-Denver, Dekker, Gast, Quincy, Travaini. Not recommended for refrigeration or automotive applications.*
